

## Keystone distribution box surface mounting, Dust protection self-closing

### Description

#### Specifications

For 1 or 2 keystone modules from the EFB-Elektronik portfolio

Colour: pure white, RAL9010

Material: ABS

Dimensions ET-25166: 37 x 65 x 30 mm (L x W x D)

Dimensions ET-25168: 63 x 65 x 30 mm (L x W x D)

Suitable for wall mounting

Dust cap self closing

Labeling field hinged

Delivery without modules

#### Scope of delivery:

1 x case

1 x double sided tape

1 x cable tie

2 x self tapping screws 4x14

#### General data

|                                                  |       |
|--------------------------------------------------|-------|
| Flush-mounted installation/build in installation | False |
| Duct installation                                | False |
| Surface mounted                                  | True  |
| Floor box/sub-floor mounted                      | False |

## Keystone distribution box surface mounting, Dust protection self-closing

### General data

|                                         |           |
|-----------------------------------------|-----------|
| Type of fastening                       | screws    |
| Type of connector                       | RJ45 8(8) |
| Material connector of connector housing | plastic   |
| Connection type                         | other     |
| Shielded buses                          | False     |
| Shielded housing                        | False     |
| Separate earthing connection            | False     |
| With label space                        | False     |
| Separate strain relief                  | False     |
| Mounting method shielding connection    | without   |
| Outlet direction                        | straight  |
| With dust cover                         | True      |

### Environmental conditions
